

## Illustrations of Types of Stands

N.B. specification may vary according to supplier - curtain / roll down night sheets not shown but in shedding supplied in price.

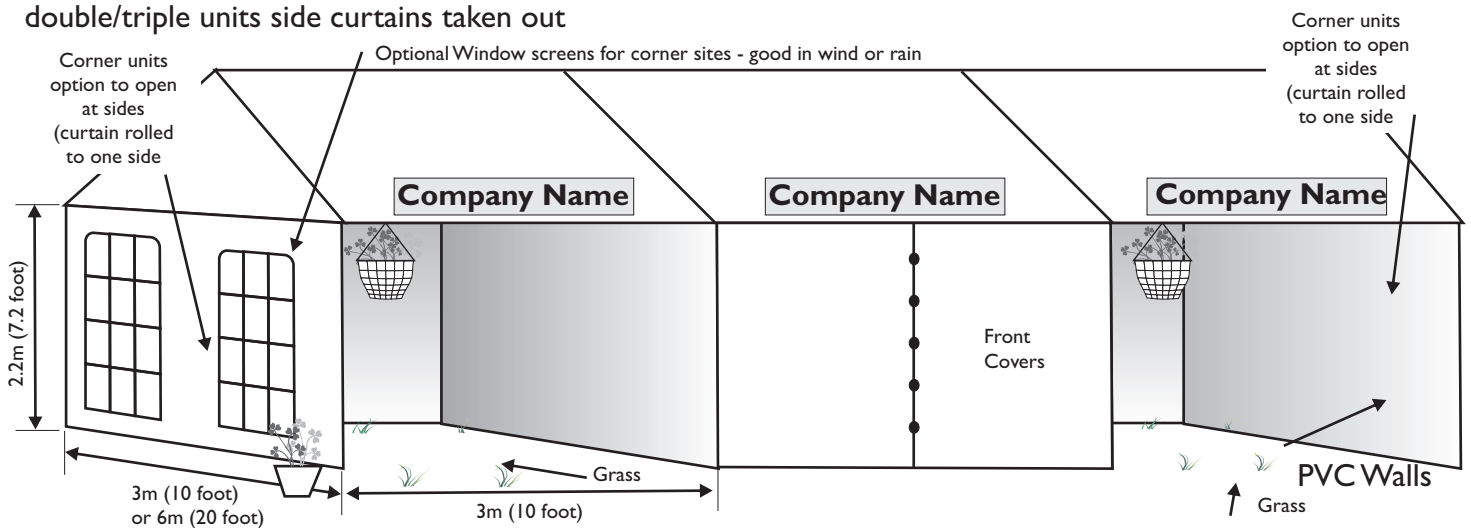

In spitz marquees roof only - four sides open (if curtain sides are required then it is £25 extra)

Covered ground units (open space with spitz marquee) sometimes known as Chinese hat.

Spitz marquees are popular with outside furniture, plant, garden, ornament business who require a professional stand with shelter and shade.

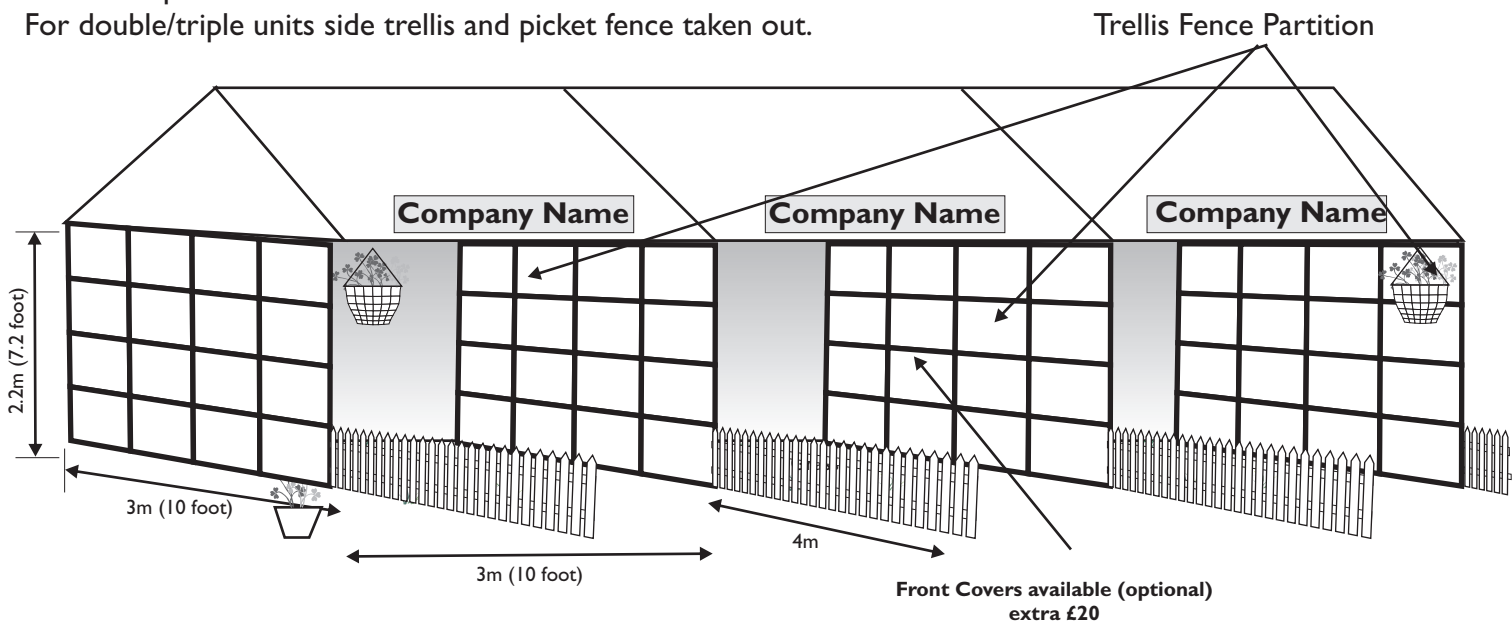

Covered row plot unit - shedding marquees in units of 3m front x 3m depth and 3m front x 6m depth for double/triple units side curtains taken out

For a more professional stand with boarded floor, varnished boarded floor and carpeted boarded floor is available. This applies to 6m depth shedding as well

Courtyard Gardens - shedding marquees in units of 3m front x 3m depth with 3m x 4m open plot to the front with picket fence borders.

For double/triple units side trellis and picket fence taken out.

The constructing and usage of company name boards are included in the price of the shedding and spitz and will be erected for your company.

Shedding may be used as living accommodation / sleeping at night by drawing across front curtain that is provided, saving on accommodation costs
